DURATION: 3 DAYS

Overdue for a romantic getaway with that special someone? Spend this one-on-one weekend wining and dining at cozy bistros, relaxing over couple's spa treatments and enjoying some of the most majestic views and romantic settings in Surry County.

- Day 1 & 2:** After a romantic evening over a bottle of wine and dinner for two, enjoy the morning beauty of the Blue Ridge Parkway. Relax over a couples massage at lunch, then enjoy a traditional date night of dinner and a movie.
- Day 3:** Spend the day in Surry's majestic outdoor settings. Climb the summit of Pilot Mountain or canoe down the peaceful Yadkin River.

Before planning your evening of **Day 1**, be sure to visit verysurry.com/travel-packages. Many local accommodations feature romantic weekend travel packages, which include a night's stay, dinner for two, as well as flowers, wine and chocolate for the room. Base your first night around your package's dinner plans, usually in one of our many fine wineries, and let the romantic weekend begin!

Another option is to soak up the romantic atmosphere of a night in a cabin at **Cody Creek** in Dobson. Dine at the **Depot Restaurant** and spend a leisurely evening strolling the grounds and looking into each other's eyes under the Cody Creek gazebo.

Begin your morning of **Day 2** with a leisurely drive down the scenic **Blue Ridge Parkway**. Stop along the scenic overlooks to take in stunning vistas and take advantage of fantastic photo opportunities.

Make your way to Mount Airy to the **Infinity Day Spa**, which features a romantic spa package including a couple's massage, pedicures and lunch for two.

Share laughs over a bottle of wine at the **Old North State Winery and Brewery** downtown, topped off with dinner and music at the **308 Bistro**. Then, catch a movie at the **Downtown Historic Cinema Theatre** on Main Street for a traditional date night.

On **Day 3**, stop at the **Mayberry Cheese and Cider** shop (although closed on Sundays) to browse for goodies to bring back home. Then, make your way to **Pilot Mountain State Park**. Stroll hand-in-hand on one of the many hiking trails and enjoy breath-taking views from the summit of **Pilot Mountain**.

Take a canoe ride for two and paddle down the **Yadkin River** or saddle up for a leisurely horseback ride down shady trails. Finish off your romantic trip with a picnic lunch before heading home, relaxed and revitalized.
